

Rack Containment

Blanking Panels, Underfloor Plenum Panels, and Gap Fill Foam

Monitor. Integrate. Alert. Peace of Mind.

Applications

Rack and panel containment designed to provide maximum airflow distribution that fits into any new or existing raised floor system. Ensuring cold air stays at the front of the server cabinets, where it belongs.

Blanking Panels

Blanking Panels

A proven, cost effective way to maintain proper airflow in your server racks.

- Quick to install
- Lightweight
- Scalable

Underfloor Plenum Panels

Sold by the box, use our underfloor plenum panels to funnel air exactly where you need it.

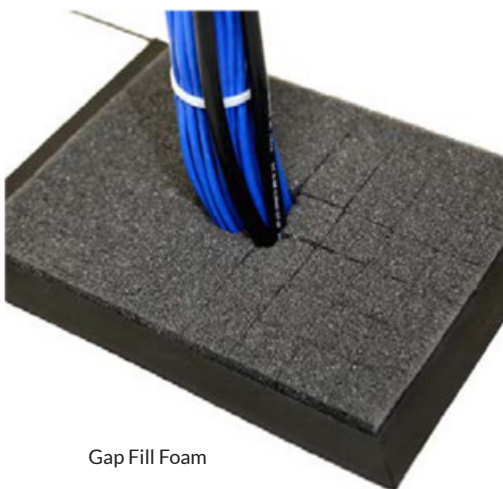

Flame Rated Foam Gap Filler

For small spaces where airflow is an issue; whether it's from cabling holes from a previous facility configuration or narrow spaces between the flooring and racks.

- Easy installation with pre-scored 1" row sheets
- Sold by individual 24" x 24" x 2" sheets

Underfloor Plenum Panels

Gap Fill Foam

Rack and Panel Containment • Scalable, and easily adjustable as your application changes

Product Codes	
ICF-PF12U23	23" Blanking Panels, Black (12U), Fills 3 - 84" high racks (144R)
ICF-PF123	23" Blanking Panels, Black (12U), Fills 252" of 1" on center rack space
ICF-PF27U10	19" Blanking Panels, Black (10 sheets/27U)
ICF-PF27WU10	19" Blanking Panels, White (10 sheets/27U)
ICF-AVAL	24" x 24" x 2" sheet with 1" permeable etching
ICF-PF2448-12	Partition, Raised floor cavity, 12 sheets. Includes 88 cable ties, 44 rivets. 24"x48" x .040", 24.5lbs.
ICF-PF-RCT	Cable Release Ties, Qty of 100
ICF-PF-TR100	Thumb Screw, Qty of 100
ICF-PF-TR	Thumb Screw, Qty of 50
ICF-PF-PR24	Rivet, 12/24 Push Pin Rivet (pack of 50)
ICF-PF-PR24-100	Rivet, 12/24 Push Pin Rivet (pack of 100)
ICF-PF-PR32	Rivet, 10/32 Push Pin Rivet (pack of 50)
ICF-PF-PR32-100	Rivet, 10/32 Push Pin Rivet (pack of 100)
ICF-PF-RR	Round Hole Rivet (pack of 50)
ICF-PF-RR100	Round Hole Rivet (pack of 100)
ICF-PF-BR100	Square Snap Rivets, Qty of 100/Black
ICF-PF-WR100	Square Snap Rivets, Qty of 100/White
ICF-PF-BR	Square Snap Rivets, Qty of 50/Black
ICF-PF-WR	Square Snap Rivets, Qty of 50/White
ICF-PF-Punch	Chad Remover
ICF-PF-23Punch	Chad Remover, 23" wide
ICF-PF-111-4	Spline Driver
ICF-PF-KEY	Allen Wrench, for PF-RR rivets
ICF-PF10400	Rivet Remover

Blanking Panel Model Tech Specs	Features	Compatibility
For 23" EIA Mounting Rails ICF-PF12U23	Pack of twelve = 144 1.75" rack mount units Fills 3 - 84" high racks Size: 20.875"h x 23.31"w x .04"d Color: Black	Fits all 23" EIA 310-D compliant server racks / enclosures
For 1" On-Center Mounting Rails ICF-PF123	Pack of twelve = 252" of 1" on center rack space Size: 20.8125"h x 23.31"w x .04"d Color: Black	Fits 23" wide 1" on-center mounting rails
19" Wide, Scalable ICF-PF27U10	Pack of ten 27U panels = 270 rack units Size: 47.25"h x 19.25"w x .04"d; 1.4lbs each Color: Black	Fits all 19" EIA 310-D mounting rails
19" Wide, Scalable ICF-PF27WU10	Pack of ten 27U panels = 270 rack units Size: 47.25"h x 19.25"w x .04"d; 1.4lbs each Color: White	Fits all 19" EIA 310-D mounting rails

Underfloor Plenum Tech Specs	Features	Compatibility
ICF-PF-2448-12	Flame retardant polypropylene; UL 94 V-0 RoHS and WEEE Compliant Size: 24" x 48" x .04"; 1.75lbs. Scored in 1" horizontal and 1.5" vertical increments Each box contains 12 sheets, 88 cable ties, and 44 rivets.	Compatible with most new or existing raised floor systems.
