

PRODUCT ADVISORY Triad Grey Flek Powder Coat

October 4, 2022

Dear Valued Customer,

It has recently come to our attention that we are no longer able to source our original "Grey Flek" color powder coat which has been our standard gray-colored powder coat since the origin of our Triad floor panel products.

After working with several potential suppliers, we were unable to find an exact match for our original powder coat. Therefore, we have selected a new vendor to provide a similar but slightly different powder coat that we will use for all future Triad product Grey Flek orders.

This new Grey Flek color varies from the original (reference pictures below).

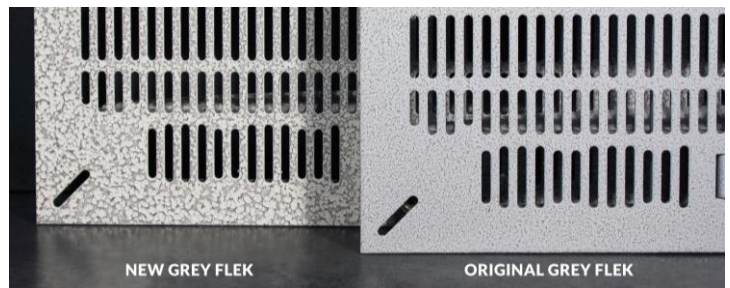

We apologize for any inconvenience this may cause our customers who are trying to match future Grey Flek orders.

Please reach out to RLE Sales at sales@rletech.com, or (800) 518-1519 with any questions, or to receive product information.

Sincerely,

Tom Metzinger
